TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Indal Patel** has successfully completed his internship programme from 15 May 2019 to 15 July 2019 at Easilydone Technologies LLP.

During the period of his internship he worked on film making, video editing and graphic designing. He created several animation videos for our product MySecurityDesk and created a promo video for another product (easilydone.events for Event Management) which required real time video shooting for two days on the respective event days followed by editing and post production.
